

# What's coming up at Langdon Brady Club?

SUMMER TERM 2021

Thursdays 18:30 - 20:30 • Edgware • Ages 12-19

## 6th May - Get to know you games

A mixture of light hearted and fun icebreakers and get to know you games.

## 13th May - Pizza making

Make your own delicious pizza from scratch with your favourite toppings and enjoy some ice cream for the festival of Shavuot.

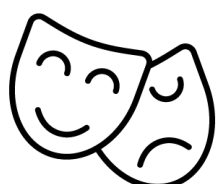

## 20th May - Sports games & fitness

Get active with Maccabi GB and enjoy friendly team games as we complete different fun sports challenges together.

## 27th May - Learn to draw cartoons

Get arty with professional cartoonist Paul Solomons as we learn step by step to draw our own take-home toon creations chosen by you.

## 3rd June - Improv drama

Take part in this hilariously fun improv comedy session as we learn about each other through drama.

## 10th June - African drumming

Feeling the rhythm? Together we'll create a funky beat and learn some great songs with our own African drums and voices if you wish too.

## 17th June - Save a Child's Heart

For our social action project this term we will be putting a smile on the faces of children from around the globe who are undergoing vital heart surgery by designing, decorating and packing bags of essential goodies for them.

## 24th June - Guess the song bingo

Put your music knowledge to the test with this interactive music themed bingo.

## 1st July - Tie-dye

Here is your chance to make your very own unique take-home t-shirt for the summer and the best bit about it is every design comes out differently yet looks amazing. Also, for Tisha B'Av, we'll be watching a short video on the big screen called Recreating the Temple which features amazing 3D imagery.

## 8th July - Happy Puzzle Company

A superb journey through the world of puzzles and board games. Turning the apparently impossible into the possible and creating a truly amazing atmosphere in the process.

## 15th July - Let's bring on summer

Watch back your favourite memories from the year so far in our end of term closing gala Video whilst sitting back and enjoying a homemade Mocktail of your choice. We'll also plan sessions for next term and party it out with our surprise themed end of term Dances.

Langdon Brady Club is a fun weekly club for young Jewish people with learning difficulties/disabilities and autism in our Covid-friendly environment.

As well as each weekly activity, we'll also have kosher refreshments, a chill zone, Xbox, pool/snooker, table tennis, air hockey, jigsaw puzzles, board games, lego and more!
