Put your music knowledge to the test with this interactive music themed bingo.

## 18th July - Tie-dye

Here is your chance to make your very own unique take-home t-shirt for the summer and the best bit about it is every design comes out differently yet looks amazing. Also, for Tisha B'Av, we'll be watching a short video on the big screen called Recreating the Temple which features amazing 3D imagery.

## 25th July - Let's bring on summer

Watch back your favourite memories from the year so far in our end of term closing gala Video whilst sitting back and enjoying a homemade Mocktail of your choice. We'll also plan sessions for next term and party it out with our surprise themed end of term Dances.

Langdon Brady Club is a fun weekly club for young Jewish people with learning difficulties/disabilities and autism in our Covid-friendly environment.

As well as each weekly activity, we'll also have kosher refreshments, a chill zone, Xbox, pool/snooker, table tennis, air hockey, jigsaw puzzles, board games, lego and more!
