

### Supported Living

Independent lives need independent homes. Kisharon Langdon manages flats and shared houses for 146 individuals throughout the UK providing adapted, accessible Jewish homes which are designed to suit the needs of the people living there.

### Social Enterprise

Our social enterprises offer invaluable work experience and employment to the people we support. They are all not-for-profit, so every penny of profit we make is transferred back into the charity.

### Community

Central to Kisharon Langdon's approach is supporting our Members to be an active part of the wider community. Through organised social activities we help Members develop independence, grow confidence and form lasting friendships, all in a welcoming Jewish environment.

### Education

From nursery and school through to further education, we offer bespoke, flexible education at Tuffkid Nursery, Kisharon Noé School and Colleges in London and Manchester.

### Employment

Kisharon Langdon offers specialist employment support including vocational training, work experience and employment opportunities, covering both paid and voluntary roles.

### Youth

Kisharon Langdon Brady is a weekly youth club and school holiday programme.

We offer a safe, nurturing and stimulating environment where Members can make friends, learn valuable social skills and have a lot of fun! Regular activities and holiday schemes give our Members a sense of achievement and more confidence in their abilities.

**Kisharon Langdon**

The Jewish Learning Disability & Autism Community

Kisharon Langdon offers education, supported living and life opportunities to people within the Jewish learning disability and autism community, and their families, throughout life's journey.
